EDUCATE ASSIST ADVOCATE

HOPE'S VOICE

PREVENTION SUPPORT ADVOCACY

Hope's Voice is honored to be chosen as a charitable partner with The Eagles organization. For the last decade, Hope's Voice has worked to best serve survivors of domestic violence or sexual assault and their families in some of their most critical points of need. By expanding our charitable giving base Hope's Voice will be able to support multiple facets of our programming through the Eagles supportive funds.

Survivor Needs

Hope's Voice is dedicated to serving clients in real time to best meet their needs. Each client works with their case manager to assess their basic needs and what could be met with short-term immediate financial assistance. Many times, this includes costs related to sheltering, costs of hot meals for parents and children, and/or basic supplies needed to ensure the safety/health of the client. Certain things, such as client food costs and some personal possessions (hygiene, work uniforms) are not funded by our grant streams and must be purchased through locally fundraised dollars. The Eagles donations will allow Hope's Voice to create a "Survivors Pantry" of the most requested items and ensure each client has their basic needs met as they move through the crisis intervention process. All donations and grants will be utilized for these needs only and not for any administrative costs.

Education and Outreach

Many times, community engagement is lacking because residents don't grasp the fundamental impacts domestic violence and sexual assault has on community health. Utilizing the Eagles monies to further improve our education and outreach materials (handouts, health promotion items, and educational material for schools); Hope's Voice will have the opportunity to expand our community's knowledge about domestic violence and sexual assault. These funds will greatly expand our programs. These programmatic components lead to increased referrals, increased partnerships, and increased requests for volunteer opportunities.

The true impact of this opportunity is nearly intangible –as it is a moment in time when funding after the COVID-19 pandemic has become increasingly complex. The Eagles choosing Hope's Voice at this moment in time is true fateful. We expect that hundreds of survivors and their families will be positively impacted by the programs noted above.

With our warmest appreciation,

Dear Sir or Madam:

This is in response to your inquiry of November 11, 1992, requesting a copy of your determination letter.

Our records indicate that by a determination letter issued in September of 1981, your organization was recognized as exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code of 1954. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because you are an organization described in section 509(a)(2).

The classification was based on the assumption that your operations would continue as stated in the application. If your sources of support, or your purposes, character, or method of operations have changed, please let us know so we can consider the effect of the change on your exempt status and foundation status.

As of January 1, 1984, you are liable for taxes under Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

You are required to file Form 990, Return of Organization Exempt from Income Tax, only if your gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, when a return is filed late, unless there is reasonable cause for the delay.

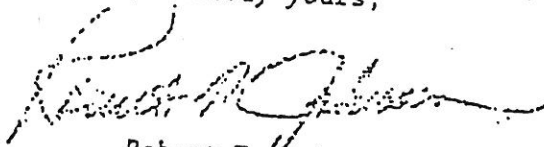

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, you may contact us at the address or telephone number shown in the heading of this letter.

This is an affirmation letter.

Sincerely yours,

Robert T. Johnson

Caveat Applies:
No

Dear Applicant:

Based on the information you recently submitted, we have classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Internal Revenue Code because you are an organization described in section 509(a)(2).

Your exempt status under section 501(c)(3) of the Code is still in effect.

This classification is based on the assumption that your operations will continue as you have stated. If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status.

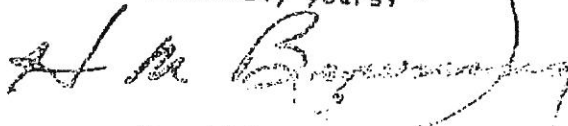

This supersedes our letter dated Dec. 15, 1986.

If the heading of this letter indicates that a caveat applies, the caveat below or on the enclosure is an integral part of this letter.

Because this letter could help resolve any questions about your foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

Harold M. Browning
District Director
